SILVER BIRTHDAY

TO BE CELEBRATED

PREPARE TO MEET

EL PASO BOOSTERS

TEMPE, March 8.—Much interest is being shown in the celebration of the twenty-fifth anniversary of the organization of the Congregational church, which occurs next Saturday, March 10. Of the 24 charter members of the church, only one, Col. J. E. Price, is still a resident of the community. At the meeting of the church Saturday evening, a short history of the enterprise by Col. Price will be one of the interesting features.

Among other items on this program will be the reading of letters from early members now removed from Tempe, music by the Avelian Quartet, reminiscences of the organization of the Missionary society by Mrs. R. H. H. Elmore, of Flagstaff, of the Ladies Aid society, by Mrs. Mary A. Hough of Phoenix, of the Christian Endeavor society by Mrs. C. C. Wood and of the Sunday school by Mr. D. G. Backus. Moving pictures—very moving—of some of the pioneers will be thrown upon the screen and brief congratulatory speeches will be made by several Tempeans and visitors from out of town. All interested residents in the community are cordially invited. The celebration will be concluded with an anniversary sermon by the minister, Rev. Clifford Nott Rand, on Sunday morning. Because of the union services, services were postponed until next Sunday evening will be omitted.

Y. W. C. A. BENEFIT
Great interest is being manifested in the Young Woman's Christian Association benefit to be given at the normal auditorium this evening. Miss E. Zartman will interpret a four act play based on the popular story "Polyanna." No back of recent years has had such widespread popularity as this sweet story and seldom is there one of such universal appeal. The play and its message of cheer has reached many all over this country and that there will be a full house out tonight to hear its production is evident from the large advance sale of tickets that has been made.

TOWN VS. HIGH TONIGHT
The Tempe Bears with the line-up much the same as it will be when the team commences its active playing for the spring season, will meet the strong Tempe high aggregation in a practice game this evening at the high school stadium, at four o'clock. Finch, Orelia, Kelly, Meyer, Thurman, Lyons, Sanjolo, Hilbers, Carlson and others who are sure of a berth on the club this season will be in uniform this evening and will give Tempeans their opportunity to see the team practically complete in its organization, in action for the first time.

TEN DOLLAR FINE
Rupa Noriega, who was given a hearing in the local court day before yesterday on a charge of battery and assault, ordered by Helen Soza, was yesterday fined ten dollars for her act and the fine suspended pending her good behavior. The trouble, arising from words between two, developed into a regular family quarrel and a half dozen more of the feminine members of the Noriega and Soza families were implicated in the case when it went into court.

TOO MUCH ROOSTING
Claiming that her peace was disturbed by the loud roosting of the boys and the fans in attendance, Mrs. Frank Noriega has filed a complaint in Justice Cummings court charging eighteen or more boys who compose two local boys' baseball teams with a disturbance of the peace. The youngsters have been playing on the diamond at East Sixth street and Willow avenue, directly adjoining the residence of Mrs. Noriega. In accordance with the law, the boys were ordered to leave the place by the officers and the judge after giving them a good talking to and advising them to be less noisy at play in the future, permitted them to go without imposing a fine. Fond parents who enjoy baseball and enjoy having their sons play it, have petitioned the property owner to permit the youngsters to continue their play there, and pending another charge that will no doubt in time be preferred by Mrs. Noriega, the two teams will continue to wage war on the same old ball lot with all of the accustomed roosting from the side lines.

BUSINESS IN BUCKEYE
Don J. Caffrey of the local entomology service yesterday afternoon left for Buckeye where he will spend several days in the interests of the bureau.

The battery for the victors was Penna and Williams and for the high school, Coffin and Locklin. Kellogg and Muller were the umpires.

FINANCES AND MARKETS

(Continued from Page Four)

had a depressing effect on wheat today. Closing prices were heavy, 3/4 to 3/8c net lower, with May at \$1.87 1/2, to \$1.87 1/4 and July at \$1.57 1/2, to \$1.57 1/4. Losses were shown too in other leading staples—corn 3/4 to 1/2c, oats 1c, and provisions 3/4 to 1/2c.

At first the wheat market displayed a tendency to bulge on account of the assumed promising outlook for continued demand from European interests, but the return in prices led to much realizing, influenced to some extent by snowfalls in the west, where moisture has been lacking. Holders also were more or less uneasy because of chances of a surprise tomorrow in the government report on farm reserves. It was not, however, until word came of the cancelling of a million bushel export purchase at Omaha that the market began to break sharply. Announcements that President Wilson would attempt merchant ships called the market to a moderate degree, but the effect proved to be only transient.

Corn weakened with wheat and as a result of talk that foreigners were re-selling at the seaboard. Oats followed other grains, advancing early, and then undergoing a sag. General liquidation brought about a notable tumble in the value of provisions. Close.

DISCUSS HOTEL FOR MESA
W. J. Rai and Mr. Fitzhugh, of the firm of Fitzhugh and Fitzhugh architects, were in Mesa and presented a plan for a hotel, the building of which the Commercial club has set for its work this year. The men named made a proposition which will receive further consideration and investigation and report will be made at the regular meeting of the club to be held on next Tuesday night. Others than club members will be made welcome at this meeting.

ARIZONA CHICLÉ MEETING
A meeting of the Chiclé members of the Arizona Chiclé club will be held on the afternoon of Tuesday, March 13, in the city hall. A telegram was received yesterday from Mr. Snyder, the company chemist, stating that he would be present with plans for the machinery. The message referred in very optimistic terms to the future of the industry in the manufacture of rubber soles and heels.

COUNCIL DISCUSSES FIRE ALARM
A meeting of the city council, held last night, discussed the fire alarm system was discussed, and Fire Chief Kugler instructed to confer with the telephone company in regard to the matter. Asked to make the plan, E. J. Myer, local manager of the exchange stated that the telephone company would be willing to permit the use of the wires for the fire alarm, but whether it was the carcass of some animal thrown in, could not be determined. The well is boxed up several feet above the surface and the animal could not be seen. At any rate, the officers have thought it best to leave no doubt unsolved and have gone with grappling hooks for the purpose mentioned.

WILL ATTEND IN BODY
The Mesa camp, Woodmen of the World will meet this morning at 9:30 o'clock and march in a body to the Methodist church where the funeral service of Dr. E. W. Wilbur will be held. The W. C. T. U. will attend collectively also, the deceased having been a member since the organization of the local branch.
